2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The College caters well to student diversity by assessing learning levels of students as advanced learners and slow learners. This division is detected after class tests, internal tests, home assignments etc. as part of the internal assessment or unit test. The identification of slow and advanced learners is done under the following parameters: 1. It is done on the basis of students' performance in class tests, unit test, home assignments etc. 2. It is also seen in the students' performance in the semester examinations. 3. Another parameter is the participation of the students in various co-curricular activities outside the classroom. After identification slow learners are provided with special remedial measures. Extra classes and tutorial classes are conducted to boost up the slow learners encouraging them to any extent possible. For this all departments hold regular review meetings under the supervision of the HODs. Such extra and remedial classes are done in addition to the routine and normal classes. Thus, the identification is done during the period between two semesters examinations odd and even. Their performance is discussed in review meetings of the respective departments so that other remedial measures can be taken up.

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The college adopts student centric learning process through experiential learning, participative learning and problem solving methodology to enhance learning experience of the students. Experimental learning is adopted outside classroom through various learning activities conducted by institution like field visit study tours internship programmes, practical, etc. maximum effort is made to make every students participate in these experimental learning activities. Internship programmes specially in B.Voc. courses are done so that students get a chance to apply their theoretical skill in reality. Participative learning is done in the form of group discussion and debates on certain key issues like unemployment, over population, pollution which will enable students to get a chance of self-exposure and develop their skills and acquisition of knowledge in key social and human problems. Problem solving methods of learning is conducted with the main objective to enhance and develop problem solving abilities in the students through their involvement in practical problems. These are mainly done through field visits in the adopted village by NCC and NSS Cells. In these activities students find themselves practically involved in the problems being faced by the people specially in rural area.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Before the introduction of semester system of examination there was a compulsory system of internal assessment for 20 marks called UnitTest. As of now there is no such compulsory internal assessment except for certain subjects like Physics, Mathematics, Chemistry, Zoology, Botany, Education, geography where internal practical assessment is involved. However, all the departments conduct internal test before the coming of each semester examination. This is very much related to the coverage of the syllabus before the examination. The conduct of these internal tests is done under the supervision of the Academic Committee headed by the Principal. Based on the result of these internal examinations necessary steps are taken by the Departments concerned for advanced learner and slow learners. Extra classes are taken up as a remedial measure especially for slow learners. From time to time parent of the slow learners are summoned for help and co-operation.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Semester examinations under Manipur University are conducted strictly under the guidelines given for free and fair examination. There is an officers in Charge for the examination who is assisted by the Assistant Officers in Charge and other Supervising Officer (S.O.) Supervising Invigilators (S.I) and invigilators. Sufficient steps are taken up to meet grievance during the examination. If there is any patient candidate special care is taken to provide medical facilities during the examination. During examinations the centre is protected by the security personal from the nearest Police Station, Teams of Flying Squads also visit the examination centre to prevent the students from using unfair means. Even if there are bandhs students are exempted from any kind of hindrance. Thus examinations are conducted efficiently in a transparent and time bound manner.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

For attainment of program outcomes, program specific outcomes, course outcome the institution follows the method of feedback system from the students. Another is through internal test which are conducted in the departments. From time to time Teachers-Parents meets are organized to get feedback from parents regarding the course outcome of the students. The institution finds out and addresses the grievance faced by the students specially belonging to SC, ST, OBC and other weaker section through Grievance

Redressal Cell. Every year some students are given free admission after a perfect and authenticated verification is done by the Grievance Redressal Cell. Organizing quiz, debating and ex-tempore competition is also a part of our practice through which the distinctive merits of the students are marked and measured. The major role is played by the IQAC of the College. On the eve of every academic session proper counselling is given to the students through the counselling cell of the college. With the completion of the Degree course toppers and position holders are encouraged by giving awards donated by different individuals in the name of the College. As a result, three of our student stood position in Semester exam conducted by Manipur University in 2021-22.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Funds from the admission and funds from the U.G.C., RUSA and State Government fail to meet the up-to-date requirement of the College. The local administration and the Bishnupur Municipal Council are requested by the College authority to help in addressing grievances faced by the College. Consequently, two approach roads are cleared among the woods up to the swimming pool and the football ground. During this Pandemic the College campus, Departments, Classrooms are sanitized. In addition to the materials supplied by the Directorate, University & Hr. Edn. the College also purchases and prepares masks and sanitizers and distributes them to the localities.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

In C.I. College, the IQAC was formed on 5 October 2018. The IQAC is instrumental in maintaining quality culture in the institution. The activities of IQAC are student-centric. Headed by the Principal, the IQAC looks after the overall activities of the College. From time to time, it holds meetings with the various cells and committees formed under it, coordinating their activities in the assurance of quality culture. Most of the quality improvement related activities of the College are carried out through the relevant cells of the IQAC. The Academic Committee too seriously takes into account the specific decisions of IQAC and provides necessary feedback to it. The IQAC adheres to the policy of engaging teaching and non-teaching staffs of the College in its activities. It integrates both the academic and administrative activities into the system. In 2021-22 the IQAC conducted/collaborated in conducting programs in IPR Awareness, Moodle training, National Seminar and Important Commemorative days.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

IQAC of the College is always keen to see that quality is maintain in all areas of academics and administration. It oversees teaching learning process in the College is going on well and up to the mark. IQAC supervise and reviews activities of the College directly, or through the Academic Committee and all the Heads of the departments. The IQAC in consultation with the Academic Committee regularly reviews the teaching-learning process. Semester examination take place twice a year in a half yearly method. At the end of each semester examination students are made to attend regular classes from the next week. For students involving in practical examination, it takes a few days more to attend regular classes till their practical examination are over. For other departments classes are normally started as soon as semester examination are over. The Academic Committee takes the

responsibility of framing academic routine. Heads of all the departments take the responsibility of giving the work load to the faculty members. The Heads of the departments sees that classes are taken regularly and students are attending their respective classes. At the departmental level outcomes of the teaching-learning are measured by conducting unit tests periodically based on the coverage area of the syllabus. Records of these unit tests are kept along with question papers and answer scripts. The Academic Committee periodically makes a survey of these unit tests before the arrival of semester examinations which are conducted by the Manipur University.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The institution is sensitive towards social problems and gender related issues. It gives priority to safety and security of all the students and teachers. The college has an engaged Chowkidar to keep an eye on the college campus. State security forces visits regularly the campus, thereby supplement the role of the Chowkidar. Monkeys living in the campus are fed regularly so that they do not cause disturbance to the teachers, students and other staff. Being located at the top of a small hillock and surrounded by woods, the campus is cleaned regularly to make it free from harmful waste. First aid equipment's are available in Vocational centre for any untoward incidents. A multi-step cemented approach road with a resting place is built besides the regular tarred road for the convenience of the students. Last but not the least, the Grievance Redressal Committee remains always active to address the problems of students, teachers and staff. Counseling: Proper counseling is done right from the start of admission, regarding the choice of subjects. The Grievance Redressal Committee counsels a student who is suspected to have stress or whenever a notice is served regarding the problem of a student. In fact, the college have given free admission to three students in an academic year after making thorough enquiry of their claim. Counselling of underperformed students are also done in presence of Head of the institution.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid Waste Management: Solid waste generated in the institution mainly consists of waste paper. Plastics and other non-biodegradable solid waste are of minimal quantity. All these solid waste are first collected in the dustbin. At the weekend, these wastes are disposed at the disposal site of Bishnupur Municipal Council using a vehicle. Proper care is taken if the waste includes glasses/pieces of glasses, so that it doesn't harm the college community as well as the surrounding of the place where it is disposed. **Liquid Waste Management:** Liquid waste mainly constitutes of the chemicals from chemistry department. These wastes are collected in proper container and then stored separately. Along with the solid waste they are also disposed of at the disposal site of Bishnupur Municipal Council. **E-waste Management:** E-waste are generally recycled. They are at first checked thoroughly for possibility of recycling. If found possible, they are stored in a separate room for future repairing. Those that are not possible, are collected at a different place and then disposed at the weekend along with solid and liquid waste. But such e-waste is of negligible quantity compared to others.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best practice 1: "Fortnightly Faculty Lecture cum Interaction Series" The context and goal: No subject is an island. Rather, all subjects are inter-dependent. Knowledge grows when different ideas and knowledge are shared. Understanding and respect among persons grows through interaction. The main aim of this Lecture series are, 1.Sharing of knowledge and learning from each other. 2.Training teachers to be articulate. 3.Inculcating academic/research attitude. 4.Understanding the linkages of all subjects. 5.Deviating from monotonous teaching.

Best Practice 2: "Protecting and Preserving Monkeys in the Campus" The context and goal: The C.I. College, Bishnupur is home to rare

species of monkeys whose population is estimated to be about 200. In the state of Manipur, the C.I. College campus is the second habitat of these species of monkeys, the other being Mahabali Temple at Imphal. These sand coloured monkeys are included in the Red List of threatened species by IUCN (International Union of Conservation of Natural Resources). The College ensures the protection and preservation of these monkeys.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Located at the District headquarters of Bishnupur at 0 km distance from the National Highway 150, C.I. College has set forth a distinctive vision in all its academic and co-curricular activities. Surrounded by ST village, the college witnessed a remarkable enrolment of ST students every year. Students coming from different social and cultural background ensure atmosphere of diversity in the college. Knowledge thrives best in an environment of diversity. Women's empowerments, nationalism, inculcation of the quality of leadership, focus on global challenges are some distinctive features that the college sets to attain. As a part of this mission, the college conducts a programme every weekend called "Inter Departmental Lecture cum Interaction" on different issues of National and International importance. C.I. College is still one of the colleges in Manipur that is conducting such a programme regularly. Another distinctive feature of the institution is to survey the National States of Education every year called "Annual Status of Educational Report (ASER)". Again, C.I. College is the only college in the state of Manipur that participates in this survey. In short, the institutional focus is on cultivating learning habit, personality development, positive attitude and innovative activities towards the global challenges.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The College follows a syllabus provided by the Manipur University to which it is affiliated. The IQAC of the College assisted by the Academic Committee and all the Mentors for the Students take the responsibility of the fulfilment of the syllabus during the academic session. Different cells of the College headed by the Principal as the Chairman and heads of the Departments monitor the academic progress of the Students. The college library is equipped with more than 7000 books and 10 National and International Periodicals and Journals and Newspapers both local and National are subscribed. The books are partially automated. The college provides the facility of access into INFLIBNET and NLIST round the clock. Students and teaching faculties are provided with unique user ID and password for accessing into NLIST. The two NSS Cells, NCC, Eco-Club, Red Ribbon Club, Grievances Redressal Cell, Women Cell etc. are serving as dedicated units to create social and environmental awareness and instil leadership qualities in the students.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

C. I. College is affiliated to Manipur University. So, it follows the academic calendar framed by Manipur University. According to this academic, Semester Examinations are held twice for every academic session, one for the odd semesters i.e. 1st, 3rd and 5th and the other for the even semesters i.e. 2nd, 4th and 6th the first in the month of May/June and the other in the month of December/January. Before the semester examinations conducted by the Manipur University all the departments conduct unit test or internal assessments

as a part of Continuous Internal Evaluation. Proper care is taken by the HODs for coverage of syllabus before the semester examination. Normally theory examinations are followed by practical examination which are done internally by the departments which involve practicals. Practical marks are submitted in time so that results may be declared by the affiliating university in time. It may be noted that the college reopened on 15th November 2021 from covid lockdown.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The College caters well to student diversity by assessing learning levels of students as advanced learners and slow learners. This division is detected after class tests, internal tests, home assignments etc. as part of the internal assessment or unit test. The identification of slow and advanced learners is done under the following parameters: 1. It is done on the basis of students' performance in class tests, unit test, home assignments etc. 2. It is also seen in the students' performance in the semester examinations. 3. Another parameter is the participation of the students in various co-curricular activities outside the classroom. After identification slow learners are provided with special remedial measures. Extra classes and tutorial classes are conducted to boost up the slow learners encouraging them to any extent possible. For this all departments hold regular review meetings under the supervision of the HODs. Such extra and remedial classes are done in addition to the routine and normal classes. Thus, the identification is done during the period between two semesters examinations odd and even. Their performance is discussed in review meetings of the respective departments so that other remedial measures can be taken up.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The college adopts student centric learning process through experiential learning, participative learning and problem solving methodology to enhance learning experience of the students. Experimental learning is adopted outside classroom through various learning activities conducted by institution like field visit study tours internship programmes, practical, etc. maximum effort is made to make every students participate in these experimental learning activities. Internship programmes specially in B.Voc. courses are done so that students get a chance to apply their theoretical skill in reality. Participative learning is done in the form of group discussion and debates on certain key issues like unemployment, over population, pollution which will enable students to get a chance of self-exposure and develop their skills and acquisition of knowledge in key social and human problems. Problem solving methods of learning is conducted with the main objective to enhance and develop problem solving abilities in the students through their involvement in practical problems. These are mainly done through field visits in the adopted village by NCC and NSS Cells. In these activities students find themselves practically involved in the problems being faced by the people specially in rural area.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Before the introduction of semester system of examination there was a compulsory system of internal assessment for 20 marks called UnitTest. As of now there is no such compulsory internal assessment except for certain subjects like Physics, Mathematics, Chemistry, Zoology, Botany, Education, geography where internal practical assessment is involved. However, all the departments conduct internal test before the coming of each semester examination. This is very much related to the coverage of the syllabus before the examination. The conduct of these internal tests is done under the supervision of the Academic Committee headed by the Principal. Based on the result of these internal examinations necessary steps are taken by the Departments concerned for advanced learner and slow learners. Extra classes are taken up as a remedial measure especially for slow learners. From time to time parent of the slow learners are summoned for help and co-operation.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

Semester examinations under Manipur University are conducted strictly under the guidelines given for free and fair examination. There is an officers in Charge for the examination who is assisted by the Assistant Officers in Charge and other Supervising Officer (S.O.) Supervising Invigilators (S.I) and invigilators. Sufficient steps are taken up to meet grievance during the examination. If there is any patient candidate special care is taken to provide medical facilities during the examination. During examinations the centre is protected by the security personal from the nearest Police Station, Teams of Flying Squads also visit the examination centre to prevent the students from using unfair means. Even if there are bandhs students are exempted from any kind of hindrance. Thus examinations are conducted efficiently in a transparent and time bound manner.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

For attainment of program outcomes, program specific outcomes, course outcomes the institution follows the method of feedback system from the students. Another is through internal test which are conducted in the departments. From time to time Teachers-Parents meets are organized to get feedback from

parents regarding the course outcome of the students. The institution finds out and addresses the grievance faced by the students specially belonging to SC, ST, OBC and other weaker section through Grievance Redressal Cell. Every year some students are given free admission after a perfect and authenticated verification is done by the Grievance Redressal Cell. Organizing quiz, debating and ex-tempore competition is also a part of our practice through which the distinctive merits of the students are marked and measured. The major role in played by the IQAC of the College. On the eve of every academic session proper counselling is given to the students through the counselling cell of the college. With the completion of the Degree course toppers and position holders are encouraged by giving awards donated by different individuals in the name of the College. As a result, three of our student stood position in Semester exam conducted by Manipur University in 2021-22.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

In C.I. College, the IQAC was formed on 5 October 2018. The IQAC is instrumental in maintaining quality culture in the institution. The activities of IQAC are student-centric. Headed by the Principal, the IQAC looks after the overall activities of the College. From time to time, it holds meetings with the various cells and committees formed under it, coordinating their activities in the assurance of quality culture. Most of the quality improvement related activities of the College are carried out through the relevant cells of the IQAC. The Academic Committee too seriously takes into account the specific decisions of IQAC and provides necessary feedback to it. The IQAC adheres to the policy of engaging teaching and non-teaching staffs of the College in its activities. It integrates both the academic and administrative activities into the system. In 2021-22 the IQAC conducted/collaborated in conducting programs in IPR Awareness, Moodle training, National Seminar and Important Commemorative days.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The institution is sensitive towards social problems and gender related issues. It gives priority to safety and security of all the students and teachers. The college has an engaged Chowkidar to keep an eye on the college campus. State security forces visits regularly the campus, thereby supplement the role of the Chowkidar. Monkeys living in the campus are fed regularly so that they do not cause disturbance to the teachers, students and other staff. Being located at the top of a small hillock and surrounded by woods, the campus is cleaned regularly to make it free from harmful waste. First aid equipment's are available in Vocational centre for any untoward incidents. A multi-step cemented approach road with a resting place is built besides the regular tarred road for the convenience of the students. Last but not the least, the Grievance Redressal Committee remains always active to address the problems of students, teachers and staff. Counseling: Proper counseling is done right from the start of admission, regarding the choice of subjects. The Grievance Redressal Committee counsels a student who is suspected to have stress or whenever a notice is served regarding the problem of a student. In fact, the college have given free admission to three students in an academic year after making thorough enquiry of their claim. Counselling of underperformed students are also done in presence of Head of the institution.

Solid Waste Management: Solid waste generated in the institution mainly consists of waste paper. Plastics and other non-biodegradable solid waste are of minimal quantity. All these solid waste are first collected in the dustbin. At the weekend, these wastes are disposed at the disposal site of Bishnupur Municipal Council using a vehicle. Proper care is taken if the waste includes glasses/pieces of glasses, so that it doesn't harm the college community as well as the surrounding of the place where it is disposed. **Liquid Waste Management:** Liquid waste mainly constitutes of the chemicals from chemistry department. These wastes are collected in proper container and then stored separately. Along with the solid waste they are also disposed of at the disposal site of Bishnupur Municipal Council. **E-waste Management:** E-waste are generally recycled. They are at first checked thoroughly for possibility of recycling. If found possible, they are stored in a separate room for future repairing. Those that are not

possible, are collected at a different place and then disposed at the weekend along with solid and liquid waste. But such e-waste is of negligible quantity compared to others.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best practice 1: "Fortnightly Faculty Lecture cum Interaction Series" The context and goal: No subject is an island. Rather, all subjects are inter-dependent. Knowledge grows when different ideas and knowledge are shared. Understanding and respect among persons grows through interaction. The main aim of this Lecture series are, 1.Sharing of knowledge and learning from each other. 2.Training teachers to be articulate. 3.Inculcating academic/research attitude. 4.Understanding the linkages of all subjects. 5.Deviating from monotonous teaching.

Best Practice 2: "Protecting and Preserving Monkeys in the Campus" The context and goal: The C.I. College, Bishnupur is home to rare species of monkeys whose population is estimated to be about 200. In the state of Manipur, the C.I. College campus is the second habitat of these species of monkeys, the other being Mahabali Temple at Imphal. These sand coloured monkeys are included in the Red List of threatened species by IUCN (International Union of Conservation of Natural Resources). The College ensures the protection and preservation of these monkeys.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Located at the District headquarters of Bishnupur at 0 km distance from the National Highway 150, C.I. College has set forth a distinctive vision in all its academic and co-curricular activities. Surrounded by ST village, the college witnessed a remarkable enrolment of ST students every year. Students coming from different social and cultural background ensure atmosphere of diversity in the college. Knowledge thrives best in an environment of diversity. Women's empowerments, nationalism, inculcation of the quality of leadership, focus on global challenges are some distinctive features that the college sets to attain. As a part of this mission, the college conducts a programme every weekend called "Inter Departmental Lecture cum Interaction" on different issues of National and International importance. C.I. College is still one of the colleges in Manipur that is conducting such a programme regularly. Another distinctive feature of the institution is to survey the National States of Education every year called "Annual Status of Educational Report (ASER). Again, C.I. College is the only college in the state of Manipur that participates in this survey. In short, the institutional focus is on cultivating learning habit, personality development, positive attitude and innovative activities towards the global challenges.

7.3.2 - Plan of action for the next academic year

As education becomes more varied and multi-dimensional with the adoption of National Education Policy by the Government of India, the institution also plans to cope up with the emerging trends enunciated in NEP. As such, the College in consultation with all the departments and stake holders plans to open new subjects related to Vocational and professional subjects which will help much in solving the problems of unemployment throughout the state and the country as a whole. For this, the College plans to take aids from central agencies like U.G.C., RUSA and other funding agencies. The College, for its wider

accessibility of the students plans to open two new departments, Computer science and statistics. This will help in increasing the enrolment capacity also. The College campus consisting an area of 27.55 acres is rich in abundant number of medicinal plants. So, the College is planning to set-up a Botanical garden with financial assistance from the Education Department. Opening of a new IGNOU Centre is being processed for the benefits of the students settling around the college who cannot afford for a regular college education.
