

7.3.1 Details of the performance of the institution in one area distinctive to its vision, priority and thrust.

Located at the District headquarters of Bishnupur at 0 km distance from the National Highway 150, C.I. College has set forth a distinctive vision in all its academic and co-curricular activities. Surrounded by ST village, the college witnessed a remarkable enrolment of ST students every year. Students coming from different social and cultural background ensure atmosphere of diversity in the college. Knowledge thrives best in an environment of diversity. Women's empowerments, nationalism, inculcation of the quality of leadership, focus on global challenges are some distinctive features that the college sets to attain. As a part of this mission, the college conducts a programme every weekend called "Inter Departmental Lecture cum Interaction" on different issues of National and International importance. C.I. College is still the one and only college in Manipur that is conducting such a programme regularly. Another distinctive feature of the institution is to survey the National States of Education every year called "Annual Status of Educational Report (ASER). Again, C.I. College is the only college in the state of Manipur that participates in this survey. In short, the institutional focus is on cultivating learning habit, personality development, positive attitude and innovative activities towards the global challenges. The evidence of success is clearly visible from the success of our alumni members in the respective fields of their choice.

For instance,
