MEASURES INITIATED BY THE INSTITUTION FOR THE PROMOTION OF GENDER EQUITY DURING THE YEAR, 2020-21

The institution is sensitive towards social problems and gender related issues. It gives priority to safety and security of all the students and teachers. The college has an engaged Chowkidar to keep an eye on the college campus. State security forces visits regularly the campus, thereby supplement the role of the Chowkidar. Monkeys living in the campus are fed regularly so that they do not cause disturbance to the teachers, students and other staff. Being located at the top of a small hillock and surrounded by woods, the campus is cleaned regularly to make it free from harmful waste. First aid equipment's are available in Vocational centre for any untoward incidents. A multi-step cemented approach road with a resting place is build besides the regular tarred road for the convenience of the students. Last but not the least, the Grievance Redressal Committee remains always active to address the problems of students, teachers and staff.

<u>Counseling</u>: Proper counseling is done right from the start of admission, regarding the choice of subjects. The Grievance Redressal Committee counsels a student who is suspected to have stress or whenever a notice is served regarding the problem of a student. In fact, the college have given free admission to three students in an academic year after making thorough enquiry of their claim. Counselling of underperformed students are also done in presence of Head of the institution.

<u>Common Room:</u> There is a Girl Common Room for the students adjacent to the Library for the convenience of the girls. Boys common room is located near the Students' Union Room. There is also Women's Rest Room near the Girls' Common Room. Recently we have a well-managed Ladies toilet and a women's cell for the College.
