C.I. COLLEGE, BISHNUPUR

It is a great moment of enthrall and excitement giving you this message that C.I. College; Bishnupur has achieved the opportunity of opening Community College programme on Diabetes Educator under UGC scheme for Community Colleges. I am very much confident that the students of this programme will have the benefits of skill developments and entrepreneurship thereby helping them in employability and entrepreneurship establishment to sustain a better livelihood. I, with deep sense of humility and proud privilege entreat dear parents and students to avail of the opportunity opened to the college for the development of economy which will lead to the harmonious co-existence in the society.

C.I. COLLEGE, BISHNUPUR

The C.I. College, Bishnupur that attains Golden Jubilee Year in 2015 is in the bosom of Mother Nature. It is surrounded by ranges of hills and mountains, save the eastern side that goes the National Highway 150 which connects the state of Manipur with the other North-Eastern states of Indian Union and the country of Myanmar. The vision of the fresh water Lake Loktak and ranges of hills, habitat and settlement of different villages form the mundane beauty in this pastoral land. Ecstasy and admiration is an urge of natural demand. The college is now undergoing a paradigm shift since recent past in this Golden Jubilee Year (2014-15) with regard to access, equity, relevance and reorientation of policies and programme for laying emphasis on values, ethics and quality.
